

Cutting List for Shaker Candlebox

While any wood that works well with hand tools will do, the original is made of eastern white pine. Popular may be more readily available in some areas and works as well as pine.

Item	Thickness	Width	Length
Top	3/8"	4 1/2"	12 5/16"
Front/Back	3/8"	4 3/8"	11 7/8"
Ends	3/8"	4 3/8"	4 3/8"
Bottom	3/8"	4"	11 1/2"

Note: Since it is customary to cut pins and tails about 1/32" long in hand dovetailing 1/8" should be added to the Front, Back and Sides.
